Company Announcement

23 November 2018

Dear Tersus Consultancy Client

It is with the greatest of sadness that I have to inform you of the death of our colleague and dear friend, Chris Pannett, Managing Director of Tersus Consultancy. Chris passed away on Tuesday 20 November 2018, aged 46 following a long, battle with cancer.

Chris will be deeply missed by all the many clients, industry contacts and colleagues here at Tersus that got to know him throughout his career. He will be remembered for his professionalism, energy, optimism, enthusiasm, innovative ideas and good humour.

Chris has provided Tersus with insightful and considered leadership offering trusted advice to our clients in the delivery of hazardous materials consultancy. Qualities the Directors, Management and Staff at Tersus will all continue to commit to as we take the company forward.

Yours sincerely
